## About Kreative Call

Kreative call embarks a community of gifted Artists with special needs and social challenges on an artistic journey to express their emotions and unveil their creativity.

Kreative call is the first social entrepreneurship platform in the MENA that promotes the artworks of Challenged Artists.

*festive Vibes* our curated art project for this festive season, gives the chance to our gifted artists to reach their creative potential and mark a step foremost social and economical inclusion as humans and artists in society

Proceeds of *festive Vibes* go to our special Artists as well as the 'Lebanese Autism Society' and 'SOS children's villages - Lebanon'
