Preface

‘Vibrant Souls’ is our second curated art project that gives the chance to our gifted artists with special needs to reach their creative potential and mark a step foremost social and economical inclusion as humans and artists in society.

We believe that ‘ Vibrant Souls’ is an opportunity for everyone to embrace in the attractive worlds and powerful emotional experiences of our community of gifted Artists.

All proceeds of “Vibrant Souls ” go to our challenged Artists as well as ‘The Lebanese Autism Society’ and ‘Zvartnotz Center‘

‘Vibrant Souls’ wouldn’t have been as ‘vibrant’ as it is, without the strong belief and encouragement of a woman, an art lover and collector with an authentic soul, who embraced our mission while giving our community of artists with special needs a huge opportunity to have their show in one of the most prestigious art galleries in the world, Opera Gallery - Beirut

On behalf of Kreative Call and the community of challenged artists, a huge thank you to Ms. Salwa Chalhoub and Opera Gallery team in Beirut for their support in making it happen.

Kreative call is a nonprofit platform that embarks a community of gifted Artists with special needs on an artistic journey to express their emotions and unveil their creativity.

Our colorful hummingbird’s symbol is embedded in our identity and in our activity. Like the hummingbird, we believe that our mission aims to provide healing, spirituality, wisdom, endurance and positive energy.
