

BLISSFUL ENERGY

Kreative call embarks a community of gifted Artists with special needs and social challenges on an artistic journey to express their emotions and unveil their creativity.

Kreative call is the first social entrepreneurship platform in the MENA that promotes the artworks of Challenged Artists.

Blissful Energy our new curated art project, gives the chance to our gifted artists to reach their creative potential and mark a step foremost social and economical inclusion as humans and artists in society.

Proceeds of **Blissful Energy** go to our special Artists as well as the “Lebanese Autism Society”, “Zvartnotz Center” and “SOS children’s villages - Lebanon”.

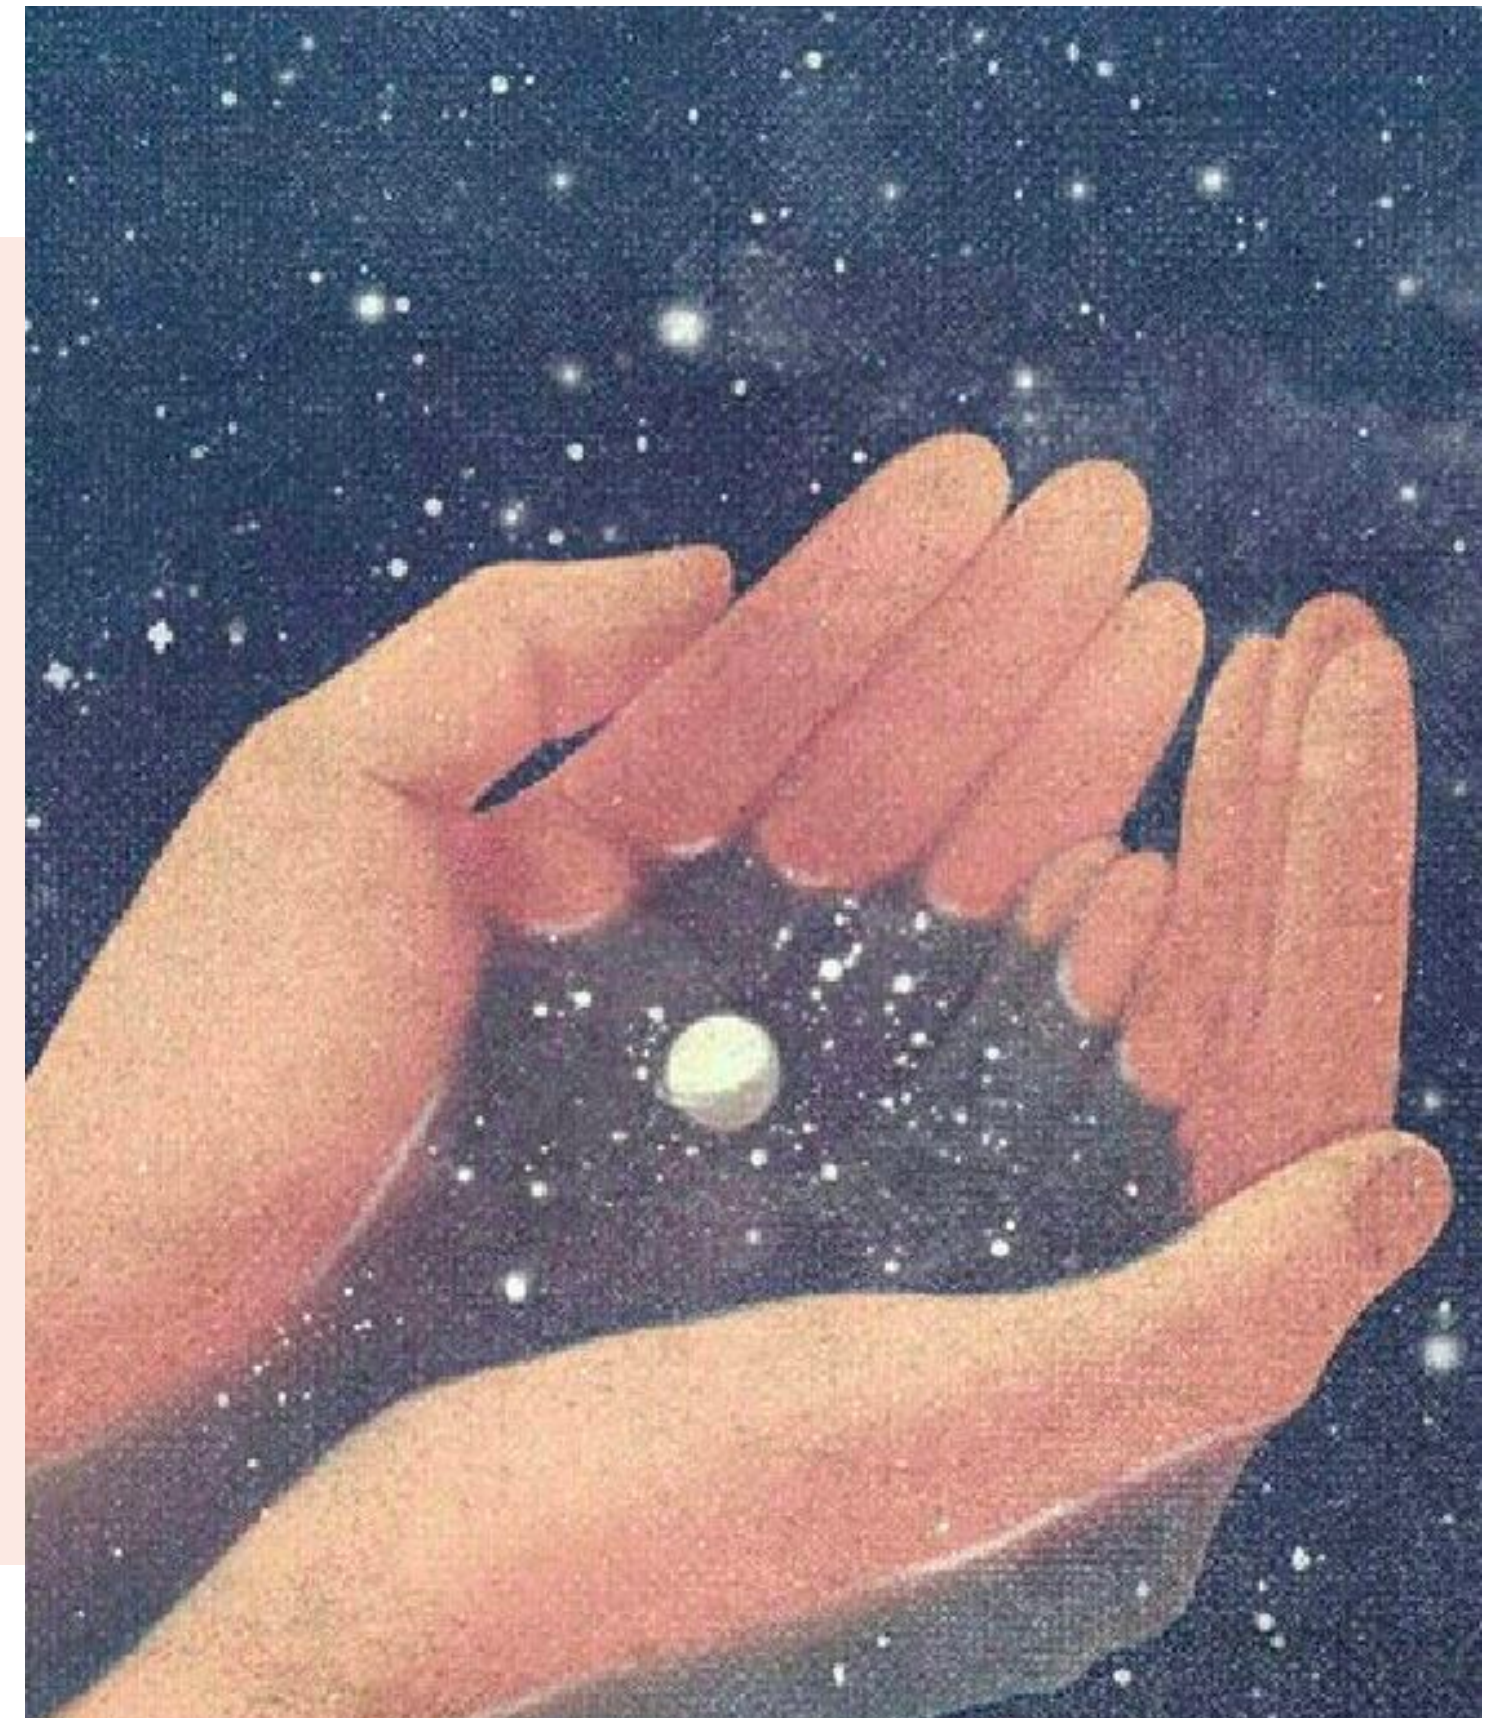

ZODIAC SIGNS

Your astrological sign corresponds to your sun sign.

The position of the sun in front of one of the zodiac signs at the moment of your birth.

This sign represents your raw personality, your character, your ego.

Our community of Artists gave their own interpretation of those signs

TOTEM ANIMALS

Totem animals are animals with which we feel a strong bond and which can influence us throughout our lives.

A totem animal can symbolically represent an entire group of like-minded people, a family line or a single individual.

Our community of Artists created their own vision of Totem Animals in the following paintings.
